DEAR CHURCH,

A couple weeks ago the mother of a friend of mine died. She passed away suddenly while she was out to dinner with her husband. This experience shook me up and disarmed me because her death was totally unexpected. I couldn't help but remember the times I spent with her when I was growing up in rural Minnesota. I mention my friend's mother's passing because sometimes it feels like the death of a beloved person when things suddenly change at church. This is because church is tied to sacred memories. Change at church sometimes feels like a death because church is (the place and the people) tied to sacred memories. Therefore, when something familiar changes seemingly out of the blue, we grieve.

Jesus knew something about grief and loss of the familiar. John's Gospel recounts Jesus' raising of Lazarus from the dead. The story tells us that Jesus grieved, despite being able to bring him back to life after several days. I think Jesus' grief was not just for Lazarus or his family, but because Lazarus would never be the same again. How could he die and be raised and *not* be different? Jesus was saddened by the loss of the familiar. Lazarus would never be the same.

When my friend's mother Jane died suddenly, I grieved the loss of someone I cared about and with whom I had a lot of good memories. If you attend coffee hour at Christ Church, you may notice that the fellowship hall no longer bears the name of one of the former pastors of the church. This may make you sad or angry because of the sacred and familiar memories you had with or of him. The hall was named in celebration of his retirement. However, certain information has come to light which has wounded some members of our congregation and made others uncomfortable. This does not mean his ministry is not to be celebrated or remembered. However, given the sacredness of names (especially in a church) and how the fellowship hall is intended to be a communal space for celebration – I removed the sign. You may be saddened by the sudden loss of the familiar.

Early in January during worship we celebrated Jesus' baptism by John in the River Jordan. At his baptism, the Holy Spirit descended upon Christ in bodily form like a dove and a voice from the heavens named Jesus as God's "beloved Son". On that Sunday we spoke about the power of names and the sacredness of naming something.

I wonder what *new* name the hall might bear to celebrate the communal nature of the space. The loss of the familiar is always challenging, but in this case, we have an opportunity for newness, healing, and growth.

Should you have any questions or need to talk, please feel free to contact me for a conversation.

Rev. Daniel J. Stark,

PRESIDENT'S LETTER

My wife Pam and I just returned from vacation. On our travels we like to visit different churches. Even on vacation, it is a renewal for the soul and a wonderful opportunity to be exposed to different faiths, people, and surroundings. While there are differences in buildings and worship styles/services the one thing that always strikes me is the commonality that we all share when we worship God. Whether we sit in a newly constructed mega church 6 miles from home or an 123 year old wooden building 4,000 miles from home, everyone there, including us, is there to worship the same God.

It is easy to take familiar things for granted or become complacent and relaxed with people or groups that we have known for many years. That complacent feeling may come over us as we worship every Sunday in the same building with the same people. If that happens our focus may turn to each other when it should be on God. When we focus on God we can see each other, and ourselves, in the way God sees us, as priceless works of art, worthy of sacrifice for our eternal salvation. When we lose our focus on God we may start comparing ourselves to others using our own superficial and flawed vision.

I have heard that attending church doesn't make you a Christian any more than standing in a garage makes you a car but when I worship it is comforting to have the presence of others. I feel a connection that we all have, a commonality, as diverse as we are, we are the same in our longing and desire to acknowledge and worship our creator.

If you haven't been to church in a while, please return to worship with me and the others here who are just the same as you. No matter what we've done or left undone, no matter where we've been, everyone reading this article is a priceless work of art that is invaluable in God's eyes.

Dean Kothrade
Council President

CHURCH COUNCIL PLEA FOR MEMBERS

I'm Dean Kothrade a long time member of Christ Church. I was elected to be the Church Council President for 2019. I accept this position with humility and hope that I can inspire and lead wherever I am. Knowing full well that I will error and need understanding along the way I ask that each of you, like I will try to do with you, address me with courtesy, remind me in patience, and correct me in brotherly love while I undertake the responsibilities of this position.

Our church council needs 3 vacancies filled to be a fully functioning council. You do not have to commit to a 3 year term or into taking any committee responsibility you don't like. The council normally meets on the 3rd Tuesday night of the month for 2 hours (from 6:30 to 8:30). It is a great opportunity to be part of guiding and growing our church. We all have talents and gifts that were given to us to share with others. I would ask that you consider sharing those gifts by becoming a council member, just for a year, and see what impact it has on the church and you.

If you have a desire to join the council or are just interested in finding out more about this opportunity please talk to any council member or me.

Thanks for considering this call from your church family,
Dean Kothrade

“HOW IS CHRIST CHURCH DOING FINANCIALLY?”

Our 2018 annual church budget is \$205,350, or \$17,030 per month, or \$3,930.00 per week.

Month	Budget	Running Budget Total	Monthly Receipts	Total Running Receipts	Monthly Balance/ (Shortage)	Running Balance/ (Shortage)
October	\$17,030.00	\$170,300.00	\$12,735.68	\$148,787.50	(\$4,294.32)	(\$21,512.50)
November	\$17,030.00	\$187,330.00	\$11,383.70	\$160,171.20	(\$5,646.30)	(\$27,158.80)
December	\$17,030.00	\$204,360.00	☺\$22,700.06☺	\$182,871.26	☺\$5,669.94☺	(\$21,488.74)

“AT A GLANCE”

For a quick update each month check out the large thermometer in the Niefer Chapel showing our budget and the funds received each month. December was a wonderful month. The help of “catch up” giving, the spaghetti dinner proceeds and generous giving to the various mission projects our giving was above the monthly average!! As of the end of December we were approximately 10.5% short of our total budget, or about \$21,490.

Please note that we as Christ Church do much giving of items that are not included in the budget figures. Each month we give a grocery cart full of food to the Bay View Community Center (BVCC) food pantry, in December the mitten tree was overflowing with items given to Parkside & Humboldt Park schools, the Christmas gifts given through the BVCC, the meals provided at Tippecanoe Presbyterian Church’s warming room, the quilts given to Froedert Hospital, the items given to the USO, the time we give to Pastor Stark so he can continue providing pastoral services through the US Air Force, the space we provide to DIVO and the sponsoring of a child through the coffee hour funds. These are just a few of the many ways we give to the community and the world.

Thank you to all for your faithful and generous giving throughout 2018. God has blessed Christ Church with many wonderful stewards, both financially and through Christian service.

The Stewardship Committee is hopeful that our giving will continue into 2019.

Joan Gaeth, Stewardship Committee

SHARING IN OUR SPONSORSHIP OF DAWA CHOEDON

Please remember that the Christ Church Council has voted to sponsor a child through "Global Ministries" (Relief organization of UCC & Christian Church-Disciples of Christ). Yes, we are all very excited about our sponsored child, Dawa Choedon.

Dawa is 12 years old and lives in Lhaze Zong in Tibet. Both her father and mother are farmers. She has 2 sisters. Since Dawa's parents are poor they have sent all 3 siblings to the Upper Tibetan Children's Village (TCV) for an education.

The cost of sponsoring Dawa is \$45/month, or \$11.25/week. We hope to be able to sponsor her for a year with proceeds from our donut hour offering. We are encouraged to write to Dawa so she will know who is sponsoring her and that she may be able to write back to her "family" in the United States. The address to write to her is:

Dawa Choedon

Tenzin Zeden, Children's Secretary

Tibetan Children's Village

Dharamsala Cantt 176216

Distt. Kangra H.P. India

This is a special mission that was initiated to bring special meaning to our social gathering on Sunday mornings. Please give as you are moved to support this mission effort. This particular children's mission was chosen because it is connected with the United Church of Christ. If our Donut Hour ministry is successful perhaps we can support another child/organization next year through our funds. If you have any thoughts regarding this mission step taken through the donut hour please voice them to any member of the church council or to Dean Kothrade.

May we all share our God given blessings with Dawa.
