PASTOR'S LETTER

Dear Church,

When I began writing this month's newsletter my entire neighborhood in Racine lost power due to a transformer problem. Everyone was dumbstruck because it was right around dinner time when folks were coming home from work. My wife and kids had to drive into town to get food because we couldn't cook anything at home without electricity. I had to sit in the dark without internet and a laptop without a charge. Because our electric garage door is stuck in the open position, I stayed home to protect the homestead. We used flashlights for something other than pretending they were lightsabers for the first time in a very long time. I also couldn't take my evening run on the treadmill (oh, darn)! It's funny how something like the power going out can change all your plans and leave you feeling like your life has been struck by lightning. Have you ever felt like that before? This reminds me of what it can be like to lose someone important in your life.

Like an unexpected power outage, death can change everything can change in an instant. What was normal and routine becomes suddenly inverted when we experience the loss of death. We are no strangers to this loss at Christ Church. This year we lost some wonderful people. Based on our Sunday morning prayer time I am aware that we have lost many people in our lives that do not have any direct connection to our congregation, but we loved them and cared about them anyways. Perhaps one of these saints was your loved one or your friend.

The first Sunday in November is our Memorial Sunday service. This day presents an opportunity for us to remember the friends and family members whom we have lost in our lives – whether they were connected to our church or not. On November 3rd I want to invite you to participate in worship by lighting a candle in memory of those persons whom have passed on to be with the Lord. We will fill the church with candles, lift up the names and stories of our loved ones, and raise glasses during fellowship time in celebration of their life. Who were they, Church? Say their name. Although death is strong, it does not get to have the last word—not now or ever.

I hope to see you and your loved ones this November at Christ Church.

With gratitude for you, Pastor Dan

PRESIDENT'S LETTER

As I write this article we are preparing for our annual meeting where, as a “family”, we will discuss, most likely debate, and ultimately decide what our family (church) will do in the next 12 months. Part of that decision-making process is accepting a budget. A budget reflects what our “family” values and wants to make sure can be paid for. A budget has 2 facets. One is anticipated income and the other anticipated expenses. When we adopt a budget our “yes” vote should be our personal guarantee that we will honor our pledge to do our part to support our family. Will we choose to grow spiritually and grow in benevolence or will we merely accept a smaller budget and thus offer less to others as well as ourselves?

I'm assuming that I'm not alone in this, but I received a raise this year at work. It was not huge, but it reflected an employer's appreciation and makes up for the cost of living increase or inflation rate we experience every year. Since our church building and its ministries exist in this temporal world, they too, have to deal with rising costs. The trouble comes when costs go up, my pay goes up, but my church donation stays where it was from last year, 5 years ago, or even 10 years ago. If my pay increases and the cost of living increases but my church donation stays the same essentially my donation just DECREASED to the church because the dollar I donated before now only pays for .96 cents of the electric bill. If all family members kept giving the same amount, they have been giving in a two-year period the church's income just DECREASED by roughly \$8,000. (Current church budget = \$204,000.00, consumer price index for 2018 + 2019 =4%, so $\$204,000.00 \times .04 = \$8,160.00$).

I urge everyone to attend our Town Hall meetings and especially the annual meeting. Ask questions, offer ideas, participate in your family by joining the Council or Endowment Committee, or any other area of service that you are gifted in or called to. We are told, and it is true, you will receive more in return than you ever give when volunteer to a worthy God centered project.

We should never underestimate the power in us to minister to the world we live in that needs us so desperately.

Dean Kothrade, Council President

SIGN UP: ONLINE GIVING

Online giving is now a possibility! If you're in the pew and you'd like to give something other than cash or a check, you are encouraged to use your phone to visit www.uccmke.org and tap the donate button at the bottom. You can pay with an existing PayPal account or with any credit card. It's easy and it saves your information for the next time you visit! Wondering what one of these weird scannable codes in the bulletin is? Give them a scan with a QR reader app on your phone and it will bring up the donation page! Want more information about online giving? See Pastor Dan or contact the church office at 414-481-3530. **Please only donate with a credit card using a Pay Pal account so the church doesn't incur costly fees.**

SIGN UP: WEEKLY NEWSLETTER

If you're interested in receiving the *Christ Church Weekly*, contact the Church Administrator (office@uccmke.org) to be added to the list (414-481-3530). Sign up sheets are also available at the information racks at the church entrances, then just drop it in the collection plate.

? CONCERNS/? COMPLIMENTS

The Pastor/Parish/Personnel Relations Committee (PPRC) has been revitalized at Christ Church. The purpose of this committee is to create an opportunity for congregational feedback in the form of compliments or concerns regarding the Pastor or any church staff member. The committee consists of Randene Wick, Dick Gaeth, and Dean Kothrade.

As of June 1, 2019, the committee will only accept **WRITTEN** compliments/concerns to discuss. For this reason, there has been an email address created to contact the committee. That email address is pprc@uccmke.org. If you prefer regular mail, there are pre-addressed envelopes available in the chapel and the plastic media rack located at the top of the Lenox Street steps to use when mailing a paper document.

All comments must be plainly stated, include dates and details of what the person would like to see more of (if a compliment); or what they disagree with and how it could be done differently (if a concern). We always seek constructive criticism in order to improve.

The communication can only address a single compliment/concern. Communications must be sent directly to the Pastor Parish Relations Committee to be reviewed. We are seeking your feedback to improve our church's ministry. Most likely, talking about an issue with someone else at church will not address the issue. By sharing your concerns with the PPR Committee your message will be heard and shared with the appropriate person/s. After meeting to review compliments/concerns, the committee will reply to the person who presented a communication to us in the format received (e-mail/U.S. Mail).

All communications **must be signed** in order to be reviewed by the committee. If you prefer that your name is withheld from the staff member you have a concern with the committee will honor that request. Only the PPRC members will know who sent the communication.

Thank you for your support in making this procedure succeed in strengthening our church family. We look forward to hearing from you.

Submitted by the PPRC Randene Wick, Dick Gaeth, and Dean Kothrade

UPDATE: OKTOBERFEST EVENT

Thank you to all who participated in this year's Oktoberfest Dinner and Concert.

Whether you, helped set up on Thursday, greeted guests, served food/dessert, helped in the kitchen, cleared tables in the Fellowship Hall, cleaned up, were a bartender/cashier, sang, were a contest Judge, dishwasher or attended; you all helped to make this year's Oktoberfest a great success!!

We would like to especially thank "Lausitz Brass Group" for sharing their wonderful gift of music for this event. Lausitz Brass comes to us from Reichenbach, Germany, which was part of the Communist Bloc until 1989, through a cultural exchange with the Evangelical Church of Germany. Prior to 1989 the Evangelical Church's only communication with the west was through the United Church of Christ. It was so wonderful to see a good mix of people, both from Christ Church and the surrounding area.

Through everyone's effort, we were able to raise \$1,716.00 for the General Fund of Christ Church UCC and Bay View Community Center Roof Fund. This was over and above the \$861.00 collected in the "Free-Will Offering" given to the trio to help defray their travel expenses.

Not only was Oktoberfest a successful fund raiser, it was also a great "Fun"raiser. This was a wonderful party. Congratulations to Nancy Charles and Kyle Cason for becoming the first Christ Church "Masskrugstemmen"(Stein Holding Contest) champions. It was a grueling competition.

Thank you all for your support!! Ein Prosit!!!! Joan & Dick Gaeth

P.S. Thanks to Rev. David Gaeth of Greendale Community Church UCC, who arranged for Laustiz Brass Group to perform at Christ Church, Pastor Dan for being our MC and Al Gaeth for his accordion music throughout the evening.

Also, we were fortunate to obtain donations of all items purchased for the evening which enabled all monies collected to support Christ Church UCC and the Bay View Community Center.
