PASTOR'S LETTER

Dear Church,

When I was a kid, I used to feel the same way about school supplies showing up in stores as I do now as a pastor when I see Christmas stuff in October. It sometimes feels like time goes by too quickly. We might be tempted to say, "*Slow down! The summer isn't over yet!*" Well, although the summer is nearing its end, we can take pride in how wonderful our summer together was.

Sometimes things can come to a screeching halt in "church world" during the summer. Our hours shorten and people go on vacation. However, I am proud to say that Christ Church never skipped a beat this year. We made the best out of our time in our ministries together. We began by continuing our commitment to Youth Works, a mission organization based out of the Twin Cities. We provided housing for hundreds of teenagers from all over the country so they could do service projects throughout the city. We had several weddings where we celebrated the new lives of young couples. We also welcomed several children into the life of our church and the Church through the sacrament of baptism. We enjoyed fellowship, libations, and talked about God in Milwaukee's parks during Fermenting the Faith.

We sent 10 members of our congregation to the United Church of Christ's General Synod gathering downtown Milwaukee. They attended the business of the church, worshipped, went to educational seminars, and got to experience the wider Church. Throughout the month of July members shared Synod Stories after worship in the fellowship hall. We also provided meals for Larry Under the Bridge and the Arts and Science Literacy Camp of Milwaukee. We had several families attend camp at Moon beach. We also enjoyed ice cream together after walks and bike rides in Bay View.

Yes, it is bittersweet for things to end (especially for the kids who have to go back to school), but the fall brings new possibilities for us as a church. I think we can take pride in the amazing things we were able to do this summer together and we can look forward to the new life and programming that will take place this fall.

With gratitude, Pastor Dan Stark

HOW TO CONTACT YOUR PASTOR

The summer months are upon us and our church office hours are changing. I thought it would be helpful to remind everyone of the best practices to get a hold of me over the next few months. You can always reach me by my cellphone at 507-951-2856. However, please do not call after 7:00 pm unless it is an emergency, or we have arranged something beforehand. Although we are a church family, I would also request that you do not pull out your directory and start calling people at random. I promise to respond to a voicemail as soon as possible if you leave me one. You can also email me at church at pastor@uccmke.org. I cannot guarantee I will receive your messages in my *personal* emails, so please use the church one. Finally, you are welcome to call the office at 414-481-3530. Whatever the case, please talk to *me* if there is something *I* can do to help you. Let's have a great summer!

SYNOD SNAPSHOT: RESOLUTIONS

During General Synod 31 in Baltimore (2017), the General Minister of the UCC announced an initiative called the Three Great Loves. The UCC committed itself to the love of neighbor, children, and creation. Love of creation was on display during this year's Synod in Milwaukee. Three resolutions involving the environment were put forth. All three resolutions passed.

The first resolution involved the use of plastic foam (i.e. Styrofoam). This was one of the few resolutions taken up for specific consideration and backing by youth delegates. The resolution encouraged UCC congregations and other institutions "to avoid the use of plastic foam in food packaging and other activities within their church and church-related facilities," educate members about plastic foam and "encourage the use of alternatives such as paper products, or, better yet, ceramic or other dishwasher-safe products." What this might mean for Christ Church is that we stop or reduce our use of Styrofoam and single use plastics for events (coffee hour).

The second resolution involved *Support for the Energy Innovation and Carbon Dividend Act of 2019*. In documents supporting its resolution, the Synod said the proposed act of Congress would be effective in reducing fossil carbon pollution because it "applies a fee on extraction of fossil carbon, returns the money to people as a dividend, supports fair international trade, and increases the fossil carbon fee yearly." It is "good for people, especially the poor, is good for the economy, is supported by members from both major parties, and is revenue neutral."

The final resolution about creation was a resolution of witness declaring *Support for the Green New Deal and Affirming the Intersectionality of Climate Justice with all Justice Issues*. This resolution made the UCC the first U.S. Christian body to endorse the Green New Deal, a congressional proposal that lays out a plan for tackling climate change. The Green New Deal (H.R. 109, S.R. 59) is a good match for our own conviction that "climate justice" concerns are linked to racial and economic ones. It is steeped in creation and justice language. "The vision and urgency of the Green New Deal are what is needed to preserve and restore God's great gift of creation," said the Rev. Jim Antal of Norwich, Vt., who wrote the Synod resolution.

It is important to remember that Synod resolutions are not legislative or policy. They are not ratified into law. Instead, Synod resolutions are aspirational. In a sense they are a "living prayer" for our leaders to do what is best for creation, children, and our neighbors. I look forward to sharing a bit more about the resolutions from General Synod 32 in next month's Synod Snapshot.

With gratitude,
Pastor Dan

PRESIDENT'S LETTER

Summer brings to mind images of bright warm mornings, twilight breezes, a spectrum of natural vivid colors, and vacation time. The thing that I like most about vacations is that I am in a different frame of mind when I'm away from familiar settings. I am exposed to new sights, people, smells, and I get to see how the world operates outside of my usual sphere. While experiencing these new sights I can picture what is happening back home at that same time. The realization sets in that the world is a very busy place with lots happening and I can only see a super small part of that at any one time. The fact that I cannot physically see something happening doesn't matter, it's still happening.

As we walk in our individual faith journey's we should keep in mind that just because we cannot see God in something that doesn't mean he isn't there. He's created everything we're enjoying. What's more he created them for us to enjoy. It is just as important to know that where you are God is also. In my vacation surroundings I sometimes do things I normally wouldn't do at home. That's what makes vacation, vacation. So in this time of vacation do something spontaneous. Walk in a different neighborhood. Shop at a different store. Visit another church. Walk through a park, don't drive through it. Chat with someone you don't know. Sit in the backyard shade and don't think about anything just allow the warm breeze and sound of rustling leaves to be your vacation adventure. These gifts of nature, opportunity, and choice cannot be sold, bought, or made. There is only one source for them and they're total free of charge. The **ONLY** thing we have to do is take the time to enjoy them. You can't beat that for a vacation deal.

? CONCERNS/? COMPLIMENTS

The Pastor/Parish/Personnel Relations Committee (PPRC) has been revitalized at Christ Church. The purpose of this committee is to create an opportunity for congregational feedback in the form of compliments or concerns regarding the Pastor or any church staff member. The committee consists of Randene Wick, Dick Gaeth, and Dean Kothrade.

As of June 1, 2019, the committee will only accept **WRITTEN** compliments/concerns to discuss. For this reason there has been an email address created to contact the committee. That email address is pprc@uccmke.org. If you prefer regular mail, there are pre-addressed envelopes available in the chapel and the plastic media rack located at the top of the Lenox Street steps to use when mailing a paper document.

All comments must be plainly stated, include dates and details of what the person would like to see more of (if a compliment); or what they disagree with and how it could be done differently (if a concern). We always seek constructive criticism in order to improve.

The communication can only address a single compliment/concern. Communications must be sent directly to the Pastor Parish Relations Committee to be reviewed. We are seeking your feedback to improve our church's ministry. Most likely, talking about an issue with someone else at church will not address the issue. By sharing your concerns with the PPR Committee your message will be heard and shared with the appropriate person/s. After meeting to review compliments/concerns, the committee will reply to the person who presented a communication to us in the format received (e-mail/U.S. Mail).

All communications **must be signed** in order to be reviewed by the committee. If you prefer that your name is withheld from the staff member you have a concern with the committee will honor that request. Only the PPRC members will know who sent the communication.

Thank you for your support in making this procedure succeed in strengthening our church family. We look forward to hearing from you. Submitted by the PPRC Randene Wick, Dick Gaeth, and Dean Kothrade

SIGN UP: ONLINE GIVING

Online giving is now a possibility! If you're in the pew and you'd like to give something other than cash or a check, you are encouraged to use your phone to visit www.uccmke.org and tap the donate button at the bottom. You can pay with an existing PayPal account or with any credit card. It's easy and it saves your information for the next time you visit! Wondering what one of these weird scanny codes in the bulletin is? Give them a scan with a QR reader app on your phone and it will bring up the donation page! Want more information about online giving? See Pastor Dan or contact the church office at 414-481-3530. **Please only donate with a credit card using a Pay Pal account so the church doesn't incur costly fees.**

SIGN UP: WEEKLY NEWSLETTER

If you're interested in receiving the *Christ Church Weekly*, contact the Church Administrator (office@uccmke.org) to be added to the list (414-481-3530). Sign up sheets are also available at the information racks at the church entrances, then just drop it in the collection plate.

NEED/WANT: SUNDAY SCHOOL TEACHER(S)

Whenever we have a child's baptism in our church, I ask you, the congregation of Christ Church, whether you promise your support and care for the spiritual development of the child. With this being said, one of the ways you can help develop and care for the spiritual growth of our children is by being a Sunday School teacher. If you are concerned about being underqualified or unprepared – don't be! Our teachers are more than willing to train and prepare you to work with our children. Do you feel called to help teach our children? If so, please contact me at pastor@uccmke.org or give me a call at 507-951-2856. I would love to have a conversation with you and help you discern this important calling.

With gratitude,
Pastor Dan

PROPERTY COMMITTEE MEMBERS NEEDED

We have been blessed with a large and wonderful building for our church activities and ministries. In order to maintain our property, we need to ensure that passionate and motivated people are equipped to care for it. If you are handy and are interested in joining the Property Committee, please contact the office at office@uccmke.org or 414-481-3530

NEED/OPPORTUNITY: NEW PIANO FOR SANCTUARY

It is time to replace our electric piano which has served us well for twenty or so years. Even though our musicians make it sound wonderful, there are some technical issues and uncertainties which make our musicians and pastor a little nervous from time to time. The Worship/Music Committee along with our music staff are actively looking for a used baby grand piano. We feel that this instrument will not only serve the needs of the church but will also facilitate concerts and recitals in our beautiful sanctuary. Our music staff are actively looking for a high-quality used piano as a new one would be too expensive. Christ Church has some memorial money designated for this purchase; however we are looking for additional donations beyond our regular stewardship giving. We have time to make sure that this new instrument will be the right fit at the right cost. If you have any questions or ideas, please contact the Worship/Music Committee, Pastor Dan or the office. Thank you. Richard Tremarello, Chair Worship/Music Committee

OPPORTUNITY: CHOIR AND OR PRAISE TEAM

So, I hear you've always wanted to sing in the Choir or Praise Team? Try it for one month and see if you like it! Come and join us for one month – 2 rehearsals and 1 Sunday and see what you think. No pressure. No commitment. Just a little fun and a great way to be a part of the worship experience. Both the Choir and Praise Team take the summer off, but we hope to see you in the fall!

Singing in a choir will do amazing things for you. It will:

1. Make you feel good with endorphins and better circulation

It is widely known that the body's "feel-good" hormones (endorphins) are released during exercise, laughing or even eating chocolate. (Who doesn't like chocolate?) Those same hormones are released when someone sings in a choir. The deep breaths taken during singing equates to that of aerobic exercise, which increases blood flow and releases endorphins.

2. Enhance your immune system, help you fight cancer

Studies have found that just one hour of group singing significantly lowers the stress hormone Cortisol, and boosts a person's immune system, which, it has been suggested, can even help fight cancer, enhance the immune system and fight off excess bad bacteria.

3. Reduce your stress

The stress-relieving benefits of choir singing have been widely recognized and have been verified by the lowered Cortisol levels.

Reduced stress, endorphins and the positive emotions felt during group singing contribute to a "high" singers often experience after rehearsals.

4. Increase social fulfilment

Studies have found that after just one group singing class, participants feel closer to each other than when participating in other group classes.

Oxytocin, the hormone associated with love, trust and bonding has been associated with collective singing, which may be related to the close bonds of friendship among choirs and singing groups.

5. Boost your self-esteem

A further social benefit of singing in a choir is the educational side, as participants broaden their understanding of music.

Learning something new boosts self-esteem and confidence while stimulating the mind and memory of older singers.

6. Singing may reduce snoring?

Singing is known to tone the throat muscles, suggesting that this can reduce snoring – excellent news if you are the long-suffering partner of a snorer!

Go for it!

Group singing creates a true escape from the real world, giving participants something on which to focus 100% of their mind.

Pam Kothrade, Choir & Praise Team Director

YOUTHWORKS UPDATE

Youthworks volunteers “camped” here in the basement for 8 weeks this summer. There were over 300 middle school kids that used are facilities. The other half of the kids stayed at Unity Lutheran church. They did community service throughout Milwaukee and its’ suburbs from 8am-8pm Monday-Thursday every week. Some of the work was very physical like working on farms and heavy lawn work at the Milwaukee Rescue Mission. Because of closures for the 4th of July holiday the volunteers worked at the BVCC and Christ Church. Here at Christ Church they cleaned our kitchen walls, counter tops and the stove. They washed walls in the fellowship hall and cleaned our youth room, Sunday School rooms, Nursery, and helped Don our custodian with some heavy lifting. Thanks to Don for being present with Youthworks chaperones to oversee these projects. The program also made a \$500.00 donation to Christ church which will help offset utilities.

CRAFT FAIR UPDATE

We regret to inform you that we will no longer be running the craft fair. Due to some health issues and some other personal reasons we are unable to continue the fair.

If anyone is interested in taking it over we will be happy to help guide you thru the process. Many thanks to the people who helped and worked the craft fair these past many years. We couldn't have done it without all of you.

THANKS

“Thank you for your recent donation of \$452.50 to Hope House of Milwaukee! It is contributions like yours that keep us going and have a direct impact on the homeless people served by the Hope house. You are helping families get back on their feet and we are all grateful. Through your generous commitment to our community, we have been able to diversify our programming and reach an increasing number of needy people in Milwaukee over the last 32 years. Thank you for being a part of our mission to end homelessness and create healthy communities. We truly appreciate your support.”

Jim Farrell, Development Director

PRAYER REQUESTS

Please keep Howard Fritsch as he remains at St. Luke’s Hospital on 27th Street. He appreciates all of your cards, good wishes and visits.

SHARING IN OUR SPONSORSHIP OF DAWA CHOEDON

Please remember that the Christ Church Council has voted to sponsor a child through “Global Ministries” (Relief organization of UCC & Christian Church-Disciples of Christ). Yes, we are all very excited about our sponsored child, Dawa Choedon.

Dawa is 12 years old and lives in Lhaze Zong in Tibet. Both her father and mother are farmers. She has 2 sisters. Since Dawa’s parents are poor they have sent all 3 siblings to the Upper Tibetan Children’s Village (TCV) for an education.

The cost of sponsoring Dawa is \$45/month, or \$11.25/week. We hope to be able to sponsor her for a year with proceeds from our donut hour offering. We are encouraged to write to Dawa so she will know who is sponsoring her and that she may be able to write back to her “family” in the United States. The address to write to her is:

TRAVEL

During the summer many families like to travel. Modern day travel is much easier than it was during Bible times.

Directions: Follow the maze lines. Match people of today with modern ways of travel and Bible characters to ways of travel long ago.

Will your family use any of these ways to travel this summer?
