## PASTOR'S LETTER

DEAR CHURCH,

Of all the Scripture we have explored this year for worship, I remember the lesson of John the Baptist in Luke 3 the most clearly. John basically tells the people gathered to be baptized by him that they all have the capacity to make way for the coming Messiah, Jesus. They can repent and turn towards God by sharing, being fair, and not bullying others. John's words are the stuff of kindergarten – not the apocalypse. This lesson from John is not only meant to prepare us for the coming Christ, but I believe, the future in general. As we stand at the crossroads of the New Year, I hope we can all share, be fair, and be kind to one another.

2018 has been a challenging but action-packed year. From choir concerts to dinners and celebrations and fundraisers, our church life has been full. We welcomed some new people to our congregation and said goodbye to some of our beloved friends. We added some new staff members and wished some outgoing folks the best of luck. We baptized babies, married couples, and said goodbye to family members who moved on to be with Jesus. This year has been full – with ups and downs, highs and lows, joys and sorrows. Whatever the case, God was there with us through it all. We have not been alone on this journey in 2018.

It is my hope and prayer for the New Year that our church life will be filled with life, light, and hope. It is also my hope that we can really live out the words that John the Baptist shared with the people who came to him to be baptized. We ought to share and be fair. We ought to not bully and be kind to others. John's call to the baptized was not something so heroic and bold that only a superpower could pull it off. John's call was something that everyone and anyone could do. It is my prayer that we face into 2019 with a spirit of sharing, fairness, and kindness. May God bless you this Christmas and New Year.

See you next year,

Pastor Dan Stark

## PRESIDENT'S LETTER

Greetings to the Members and Friends of Christ Church UCC

As we approach “that time of year” again, I have become aware that the parts of the season I enjoy the most are actually the fruits of someone else’s labor. I enjoy the sounds of carols being sung by others, cards that are sent by others, rows of homes that are decorated by others, foods and deserts that are cooked by others, smiles and well wishes extended by others, and yes even gifts that are given by others. This revelation actually makes me feel good about decorating the house, putting up the outside lights, sharing a good meal, visiting with friends and family, knowing that someone will know that I cared enough to do something that they might enjoy. All the benefits of being a part of something.

As each week draws close to the weekend, it may seem like “that time of the week” again. Much of Sunday is taken up enjoying the fruits of someone else’s labors. The songs sung, the decorations hung, heartfelt prayers of concern, of praise and of thanksgiving. Being part of an authentic time of worship, our showing of true love and concern to God and for each other. Being challenged and encouraged each week fosters growth and greater understanding which is enriching. I enjoy coming each week to visit with friends and church family, knowing that someone may benefit from something I do for them. All these benefits from being part of something bigger than myself.

Of course, whether it’s a time of year or a time of the week, these are but sign posts along the journey of our life time. They serve as reminders of the eternal love of Christ, the reality of His constant presence among us and of how we are living a life born from the labors of our loving God.

My prayer for each of us this season is that we may feel compelled to be part of something bigger than ourselves by giving of ourselves to others each day, knowing that some will come to Christ through the light we shine as Christ Church.

May you have a blessed and joyous Christmas

Paul Mayeshiba

Church Council - President

## **OPPORTUNITY: CHRIST CHURCH UCC/GREENDALE COMMUNITY UCC TEXAS MISSION TRIP FEBRUARY 12-22, 2019**

Christ Church has entered into a partnership mission opportunity with Greendale Community UCC. The project is to construct a two bedroom addition to a mobile home for the family of Crystal Lael, an 11 year old girl afflicted with Larson syndrome (a bone and joint malformation) which will confine her to a wheelchair in the near future. The addition of the two bedrooms will add needed space to their home to accommodate the use of a wheel chair, breathing and other medical equipment. The project will also address other areas of the home needing updating to help with the wheelchair transition. This project will take place February 12 – 22, 2019 in a very poor district near San Benito, Texas, where Greendale has been doing mission work for the last 20 years.

All of the participants (2 from Christ Church at this time) of this mission opportunity provide their own transportation to Texas and pay a \$250.00 fee for housing and food during their stay. If you are interested in participating in this mission trip, please contact Joan or Dick Gaeth for information.

God has blessed us with good health, abundant riches and much happiness. The Lael family struggles to survive every day as well as cope with Crystal's medical condition.

We are asking for your help in raising funds to cover the cost of building materials for this project. The basic room additions will cost about \$6,600.00 with additional funds covering updates and repairs to the original trailer. The total cost of materials and professional services (Electrical and Plumbing required by local building codes) could be as much as \$12,000.00. All monies raised go directly for the project.

Should you wish to contribute, please make checks payable to Christ Church UCC with a notation "2019 Texas Mission Trip". We are keeping track of donations by our church for the project. A check for all Christ Church receipts will be issued to Greendale Community UCC after fundraising here is completed on January 15, 2019.

Thank you for your support for this unique project.

## SHARING IN OUR SPONSORSHIP OF DAWA CHOEDON

Please remember that the Christ Church Council has voted to sponsor a child through “Global Ministries” (Relief organization of UCC & Christian Church-Disciples of Christ). Yes, we are all very excited about our sponsored child, Dawa Choedon.

Dawa is 12 years old and lives in Lhaze Zong in Tibet. Both her father and mother are farmers. She has 2 sisters. Since Dawa’s parents are poor they have sent all 3 siblings to the Upper Tibetan Children’s Village (TCV) for an education.

**The cost of sponsoring Dawa is \$45/month, or \$11.25/week.** We hope to be able to sponsor her for a year with proceeds from our donut hour offering. We are encouraged to write to Dawa so she will know who is sponsoring her and that she may be able to write back to her “family” in the United States. The address to write to her is:

Dawa Choedon

Tenzin Zeden, Children’s Secretary

Tibetan Children’s Village

Dharamsala Cantt 176216

Distt. Kangra H.P. India

This is a special mission that was initiated to bring special meaning to our social gathering on Sunday mornings. Please give as you are moved to support this mission effort. This particular children’s mission was chosen because it is connected with the United Church of Christ. If our Donut Hour ministry is successful perhaps we can support another child/organization next year through our funds. If you have any thoughts regarding this mission step taken through the donut hour please voice them to any member of the church council or to Dean Kothrade.

May we all share our God given blessings with Dawa.
